Quality remodeled home in a secluded, private cul-de-sac within an exceptional neighborhood! Features a spacious great room floorplan, with 14 ft high ceilings, and gas fireplace has built-in bookcases alongside. Enjoy views from the expansive living room windows onto tranquil backyard water feature & garden. Remodeled chef's kitchen with solid granite counters, gas appliances, cook island, nook area & formal dining. Beautiful refinished hardwood floors on the main floor. Custom remodeled baths with slab granite and tile showers & floors. Master suite with walk in closet & main level den with built-in bookcase. Air conditioning, central vac, installed security system and a 3 car garage round out the amenities.
